International Students ABOUT PIERCE

You belong at Los Angeles Pierce College, where we will help you discover and pursue your personal and professional goals. Pierce students are going places, earning degrees, discovering careers, and making their dreams come true.

As one of the top academic transfer schools in California, we provide premier instruction, small class sizes, and customized student support services. Our Career and Technical Education programs offer outstanding job training for thousands of dollars less than a private college. You have choices.

You have choices. From traditional, full-semester offerings to evening, weekend, and eight-week short-term courses, our flexible classes will help you frame your own success.

Since 1947 we have been the cornerstone of our community, bringing out the best in generations of families. At Pierce, we care and are committed to you and your success. It's never too late to join us. **We are here for you.**
